

# RESPONSES FROM ONE OF DR MARK'S EARLY YEARS SCIENCE COURSES (held in Oldham)

The following questions were asked of the 25 delegates, headed 'DID WE HIT THE TARGET?' each rated from 'Wide of the mark', 'OK', 'Good' and 'BULLSEYE/EXCELLENT':

Was the training useful personally?	EXCELLENT (> 90% responses)
Was the training useful for my setting?	EXCELLENT (> 90% responses)
The quality of the training materials?	EXCELLENT (> 90% responses)
Content of the course?	EXCELLENT (> 90% responses)
Delivery?	EXCELLENT (> 90% responses)

## Further teachers' comments (representative selection):

*"A fantastic INSET, Excellent! The best INSET I have ever had!"*

*"FANTASTIC! The best course ever, fun and very inspiring!"*

*"Something different!"*

*"Look forward to going back to school now (and an active audience back at home!)"*

*"Brilliant"*

*"Fantastic, very interesting"*

*"Excellent. Very entertaining and useful"*

*"Very enjoyable session – lots of ideas to try in nursery. Thanks."*

*"Excellent ideas demonstrated – lots of new ideas for use in the classroom. Just what we need."*

*"Enjoyed the hands-on and the simple language. Will recommend."*

*"I am sure we will have lots of fun, learning and enjoyment from this."*

*"Excellent, really enjoyed the course. The children are in for a good time."*

*"Fantastic! What fun! WOW!"*

*"Lots of ideas to take back and try out in different year groups and share with staff."*

*"Excellent! Thoroughly enjoyable – have got some great ideas now to stimulate children's questioning!"*

*"Lots of fantastic ideas especially in a climate of developing thinking skills. Fantastic"*
